

*Greetings,*

*My name is John Cordaro. I will be your child's Physical Education teacher at Lincoln Heights Elementary this year.*

*I graduated from the State University of New York, College at Brockport with a B.S. in Physical Education. Since graduating, I taught elementary P.E. for nine years in St. Croix, USVI. Hurricane Hugo blew me over to Broward County, Florida where I taught for another two years. From there it was on to North Carolina where I taught right here at Lincoln Heights from 1992 -'99, during which time I witnessed our school transformed from a place to be avoided to a school of distinction with a waiting list for new student enrollment. I resumed my career at LHE in 2002 and am beginning my 25<sup>th</sup> year of teaching with the 2008 -'09 school year.*

*My family and I live in Lillington, NC. We currently have six children (3 girls, 3 boys). My favorite activities are Bible study, Scuba diving and chess.*

*I look forward to helping your child develop a healthy lifestyle and a lifelong love for physical activity.*

*Sincerely,*

*John V. Cordaro  
Physical Educator*
